

Kitset Prices

Note: If you choose Ironsand, Titania, or Grey Friars for your aluminium powdercoat colour then we have a special price for you as the roof unit prices in the table below can be reduced by 10%.

Welcome to our simple 6-step pricing

Step 1

Choose your roof unit kit size and price here

The prices in this table are for either light or dark grey polycarbonate sheet and any of 200 Dulux colours for the aluminium - except for Ironsand, Titania, and Grey Friars - which are less 10%

		Length of Roof (out from the house - in the sheet length direction)				If house brackets are used this is the number needed
		2.35m.	3.25m.	3.85m.	4.85m.	
Width of Roof (generally parallel to the house wall)	3.05m.	\$ 2800	\$ 3500	\$ 3900	\$ 4700	2
	black prices = no permit is needed, as less than 20m2 in area					
	4.05m.	\$ 3700	\$ 4500	\$ 5100	\$ 6100	2
	19.6 m2					
	5.05m.	\$ 4600	\$ 5600	\$ 6300	\$ 7400	3
19.4 m2						
	6.05m.	\$ 5400	\$ 6600	\$ 7400	\$ 8800	3
19.6 m2						
These 3 sizes - over 20m2 - need a permit						
The average price of the roof unit kit parts in the above table is \$341 / m2						
Much wider shelters - sometimes not needing a permit - can be created by using our adjacent shelter design. Phone 0800 400 000 to learn more.						15 year parts warranty

Step 2

Very popular: A special price reduction of 10% if your roof-unit powdercoat colour is Ironsand, Titania or Greyfriars

Step 3

Usually required: Add 2 or 3 posts (\$200 each)

Step 4

Most people really like this!: Add LED lights (\$150/5, \$250/10, \$350/15, or \$450/20)

Step 5

Sometimes needed: Add \$250 for each house bracket (see table above for quantity)

Step 6

Recommended: Add 30 - 70% for full installation service by our network of clever agents

T&C Payments & Delivery

1. The kits used to create our beautiful shelters are made to order - to suit your place - so we require full prepayment for all the parts. This applies to both agent installation and DIY kit orders.

2. Our prices are exactly the same if you order a DIY kitset via an agent so we encourage you to do that as it is safer for you. In the case of agent installation or a DIY kit ordered via an agent, please pay the agent directly.

3. For North Island addresses we aim to deliver within 6 weeks after payment is received by us. Please note however that if we are out of parts - which can happen - this may add up to 6 weeks. (Add 2 weeks in all cases for the South Island)

4. Delivery is free for 95% of NZ population - generally all locations 50km or less from a Mainfreight depot is a good guide.
